March is National Mental Retardation & Developmental Disabilities Awareness Month

Statewide, and across the nation, organizations devoted to serving individuals with mental retardation and other developmental disabilities (MR/DD) are planning special events in March to raise public awareness of the many abilities people have, regardless of disability. "Just like You" encourages people to bring diversity to their communities by welcoming people with disabilities into local neighborhoods, workplaces, houses of worship and schools. During 'MR/DD Awareness Month,' we encourage people to learn more about the people in Lorain County who have disabilities. For example, when you see a child who uses a wheelchair – see the child, not the disability. And when you see a man with mental retardation working at your local supermarket, see the man, not his disability.

The Murray Ridge Center will be hosting the following events:

Location: Elyria Midway Mall
Date: Thursday, March 12, 2009
Time: 10:00 AM to 2:00 PM

GO GREEN. GO PAPERLESS

As spring cleaning approaches we are encouraging businesses to go green by eliminating paper files. The Murray Ridge Production Center is professionally equipped to handle all document scanning needs. Our Document Management Center can do file preparation, indexing and scanning for a variety of industries.

Paper filing systems grow approximately 22% per year. In addition, support personnel spend up to 60% of their time searching for paper. Paper filing is inefficient and can impede a company's productivity. A typical four-drawer filing cabinet full of paper holds roughly 15,000 documents. We can work for you by scanning all these documents at an inexpensive rate.

During this season we are offering a free quote and sample for scanning documents. By contacting us we will bring a team to your location to discuss your needs and provide a **FREE** sample of your documents scanned.
