

"Our relationship with Murray Ridge has been successful due in large part to their efficiency and the manpower that they provide. The County Engineer's office has utilized the Production Center to assemble informational packets and mailings which are distributed county-wide. Ultimately, we have found MRPC to be a valuable resource that makes it possible for us to effectively reach the public."

Christopher Bush
Assistant Public Information Office
Lorain County Engineer's Office

Murray Ridge Production Center, Inc. (MRPC, Inc.) is Lorain County's largest employer of persons with developmental disabilities. We are proud that our employees are successfully working for companies like yours. Our diversified labor pools are trained in a variety of work skills to fulfill your labor and subcontract need.

We Can Help Increase Your Productivity and Profits!

"Murray Ridge Production Center's dedication to high quality and quick turnaround has provided cost-effective solutions to our labor intensive production needs."

Andy Fabrizi
Humaneering, Inc.

WE CAN WORK FOR YOU

Outsourcing:

MRPC, Inc. operates four production centers in Lorain County specializing in quick turnaround of labor intensive production.

We offer more than 50,000 square feet of production space and a work force of more than 600 people.

We Can pick-up and deliver your merchandise with our CDL licensed drivers and box trucks.

Employing workers with disabilities, supervised by trained & dedicated staff, **We Can** assist in meeting your short and long term employment needs. We monitor every job to ensure quality and timeliness.

ON-SITE WORK TEAMS

We Can provide work teams that are sent to your job site. MRPC, Inc. provides a team leader to train and supervise our employees at no cost to you.

We Can add workers as necessary.

We Can provide transportation to ensure the timeliness of our employees.

We will assume total responsibility for the payroll and Workers' Compensation liabilities of our employees while they are working on-site.

You Can Determine:

- The number of hours worked.
- The number of workers needed.
- The length of the work day.
- The duration of the job.
